MEMORANDUM FOR: All ERA Division and Branch Chiefs

FROM: Deputy Chief, Economic Research Area

SUBJECT: Attendance of ERA/RR Personnel
at AEA Meetings, 1959

1. This memorandum is to confirm an understanding previously informally transmitted to you that ERA personnel will be granted permission to attend those sessions of the AEA meetings which are of particular interest to them. This, it must be understood, is subject to the restriction that the Area, and each Division and Branch within the Area, must be maintained at operating strength at all times. Each Division and Branch Chief will be responsible for assuring that the component under his cognizance is so maintained.

2. Registration fees are the responsibility of the individuals concerned.

3. Individuals attending the meetings are now authorized if they so desire to identify themselves at the meetings as CIA employees.
